

## TRIPTYCH PROPOSALS PROPOSED AMENDMENTS TO THE ARTICLES OF ASSOCIATION OF OCI N.V.

This document provides an explanation to the proposed amendments to the articles of association of OCI N.V. (the "**Company**"). A further explanation of these amendments is included in the agenda and explanatory notes to the agenda for the extraordinary general meeting of shareholders of the Company, to be held on 21 August 2024. These documents are available on the Company's website ([www.oci-global.com](http://www.oci-global.com)) and at the offices of the Company.

The proposals to amend the articles of association can be summarized as follows:

- I The first amendment to the articles of association ("**Amendment I**") increases the nominal value of each share. The increase in nominal value will be paid from the Company's reserves.
- II The second amendment to the articles of association ("**Amendment II**") reduces the nominal value of each share back to its initial nominal value of two euro cents (EUR 0.02). The aggregate amount of the reduction will be distributed to the Company's shareholders as a repayment of capital.

This triptych is divided into three columns, containing the following information:

- a. The first column of this document contains the Company's articles of association as they read before the execution of the relevant notarial deed of amendment:
  - for Amendment I the current provisions of articles of association are included; and
  - for Amendment II the provisions of the articles of association as they will read after Amendment I are included.
- b. The second column states the proposed amendments, indicated as blue text (added text) and ~~red~~ text (deleted text).
- c. The third column contains an explanation on the proposed amendments.

This document contains unofficial English translations of the current articles of association of the Company and the proposed amendments. The Dutch text of the articles of association of the Company and the proposed amendments is decisive.
