Beaumont New Ammonia Reaches Key Milestone with Ammonia Production

AMSTERDAM, 29 December 2025: OCI Global (Euronext: OCI) today announced that the Beaumont New Ammonia (BNA) facility in Beaumont, Texas has started production of ammonia following the completion of systems testing, marking a major project milestone. OCI will now progress the remaining operational preparedness activities and testing requirements ahead of handover to Woodside Energy, expected in early 2026.
